

Rooiels Hack

July 2026

Rooiels Hack:

The Rooiels Hack takes place on the second Saturday of every month, led by Mike Christelis, and they meet at the Rooiels Village Shop at 08h30.

My apologies for not including the June Rooiels Hack Report, as I am overseas at present and had not received the report from Mike in Ireland to include in this report.

We all know great work was done by the Rooiels hackers on Saturday 13 June 2026.

Next hack will be Saturday 11 July 2026
