41 hackers reported for duty, a truly remarkable turnout and effort. The plan was to tackle the green belt behind the United Church in Pringle Bay. We started the main team from the Pass Road direction, while some hackers started on taking out some individual Brazilian Peppers and Port Jackson trees from Crescent Road.

Chris goes on to express his thanks to all the hackers for their spontaneous goodwill, energy and hard work during Saturday's hack. The draggers and stackers who excelled again!
